The Union Building (Known as the "Tin Building" to those who don't love it) was first built in 1966 as housing for the Business Department until the Business Building was completed. In 1973 the Union became the home of Student Activities. This building now houses: The Fulcrum, Citadel, Program Board, Student Government, Club Council, and Student Activities. In addition, there is a T.V. room, Student Lounge, and a game room. Are we all going to be homeless?? We'll have to wait to see if our "Home Sweet Home" becomes "Home Gone Home" in the Fall of 84'

## **PAST- PRESENT- PROSPECTIVE**

On April 4, 1946 Broome Community College was founded. At that time it was known as The New York State Institute of Applied Arts and Sciences.

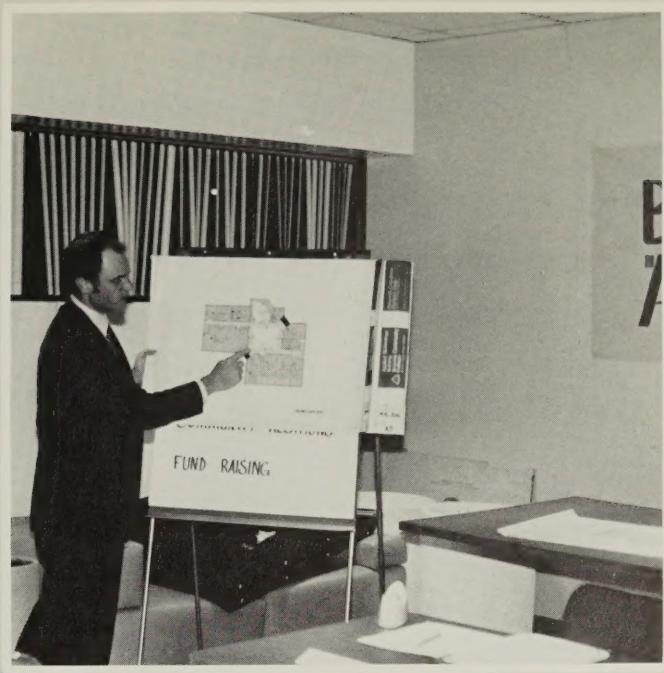

September 3, 1951 the Armory Building (first BCC) burned down. The college moves to the Kalurah Temple and changed it's name to the Broome County Technical Institute. On September 1, 1953 Broome County takes over the college from the state.

On September 28, 1956 the Wales Building was started. By January 7, 1957 five buildings were finished. The buildings were The Wales Building, The Student Center, and the Electrical, Science, and Mechanical Buildings. Also, in 1956, the name of the college was again changed. This time to Broome Technical Community College.

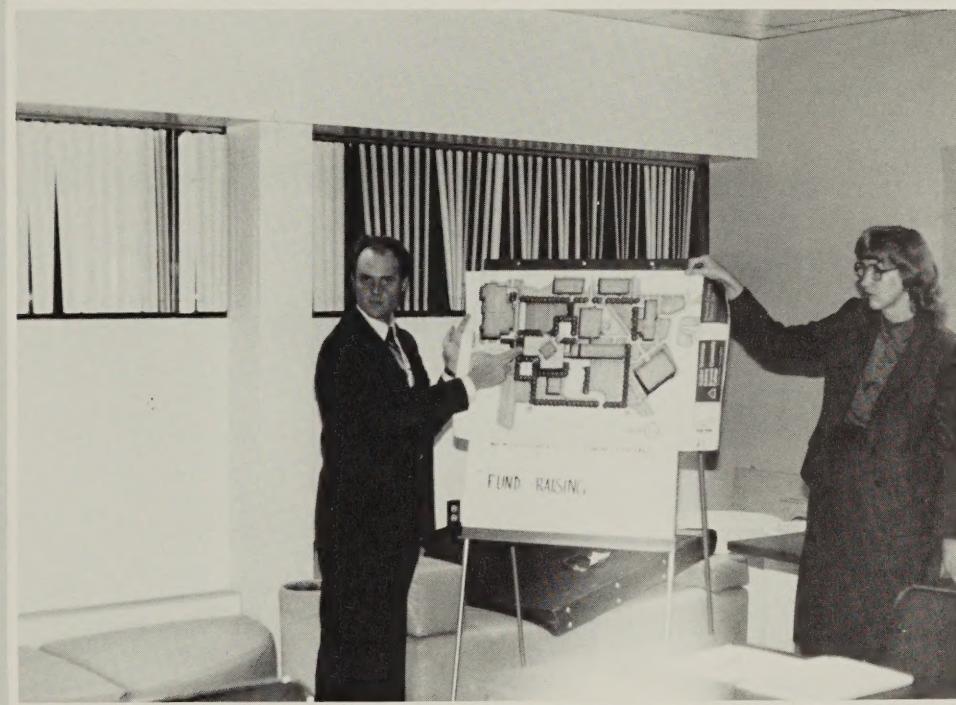

The first open house for the new college was held on May 24, 1957.

On May 17, 1963 Titchner Hall was completed. And in May of '68 the new library was also completed.

The final change to the school's name came in the year 1971. It was at this time named Broome Community College. Three of the buildings were named after people who played a large part in the planning of the new college. These people were Paul F. Titchner, who was chairman of the college in 1946; Cecil C. Tyrrell, who was President of the college in 1946; and Darwin R. Wales, who took over the Chairmanship in September 1957.

Plans for the new building which is to replace the Union-

The new Tech. Building.

The Union is to be torn down June 1, 1984 to make room for the new Technical Building. This building is to house the Electrical Engineering Tech. Students and also contain new computer labs. In addition, the plans include two lecture halls and many classrooms. With this additional classroom space Nimmonsburg could be closed.

Some proposed plans for the new Union included moving the old Union Building to a new location, moving into the Alms House, using the Maintenance Building and the Student Center. So far none of these plans have been pushed through the red tape and no one is sure what will become of the beloved Union. Will the Union be moved? Will there even be a Union? Well, wait and see!!

# OUR ILLUSTROUS UNION

New super-graphics design that students painted on the wall of the lounge in the building taken over for student activities. (Feb. 1973.)

Among the students who did the painting, under the direction of faculty member Bob Keller (right), are Bill Walsh, Carleen Felo, Jean Schuk, Kris Miller, Sandy Murphy and Joan McKiever.

Working hard as usual.

Miss Union 1984.

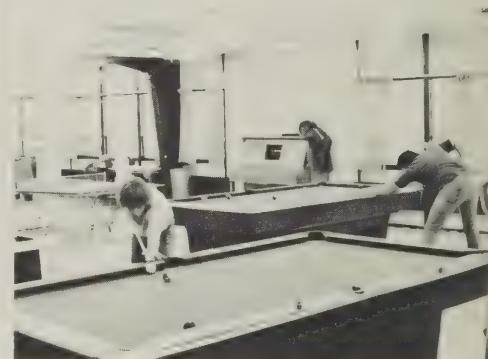

Teamwork!

You tell him, Gil!

Soaps on!!!

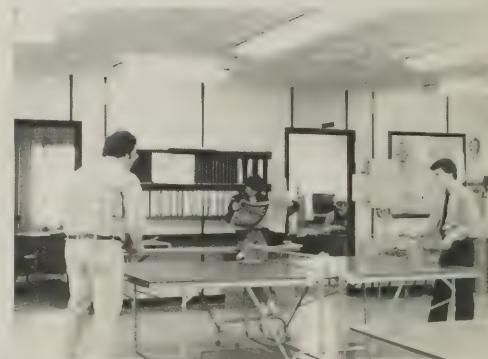

Ready . . . Shoot!

So There!

You know Jim, I think we should change the dress code.

It's a good thing size doesn't have an advantage in this game.

We're gonna miss ya.

Pool Shark!

Are you kidding? I only play for money!

Knock the ball in the pocket and win *THE* prize!

Where all of America's quarters eventually end up!

Electrical Engineering Tech Building.

Mechanical Undercover.

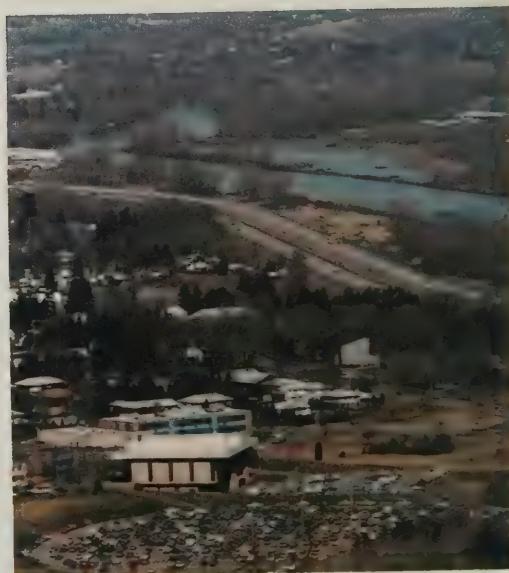

A well worn path.

Birds' eye view.

Wales Building.

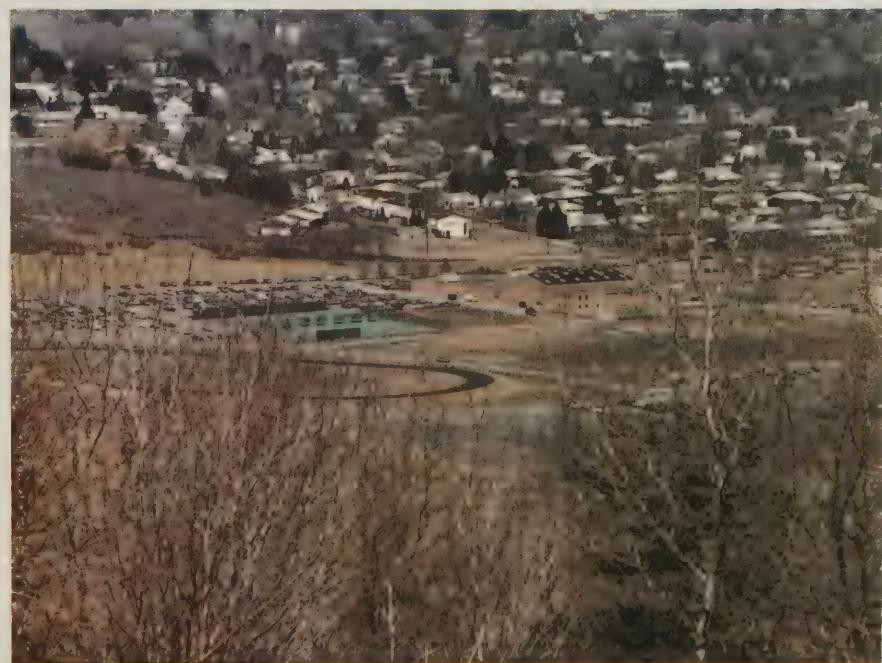

Scenes from above.

B.C.C. welcomes you.

No Vacancy.

Do you know where you're going?

High on a hill.

Side view of the Library.

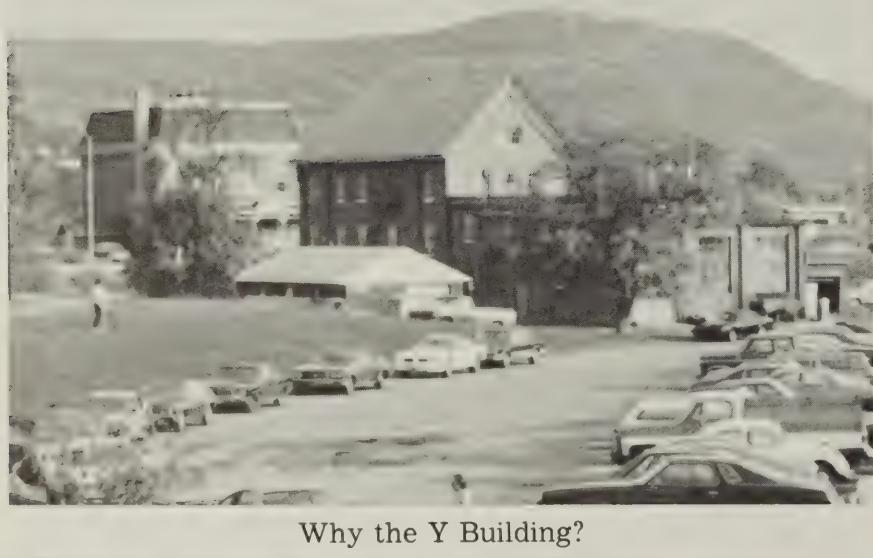

Library, once again.

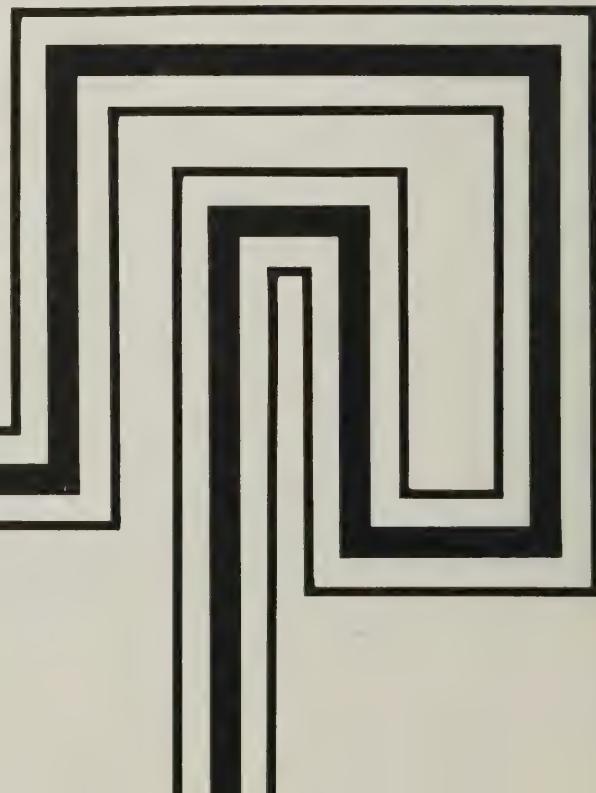

Front St., Alms, and the Y Buildings.

Back of the Mechanical Building.

Why the Y Building?

Is the Electrical Tech Building going to be ET forever?

The library was just too noisy.

Quick, this way, anyone looking?

Duck, here comes the cops.

P&P (pinball & pool).

Line up for your mug shots.

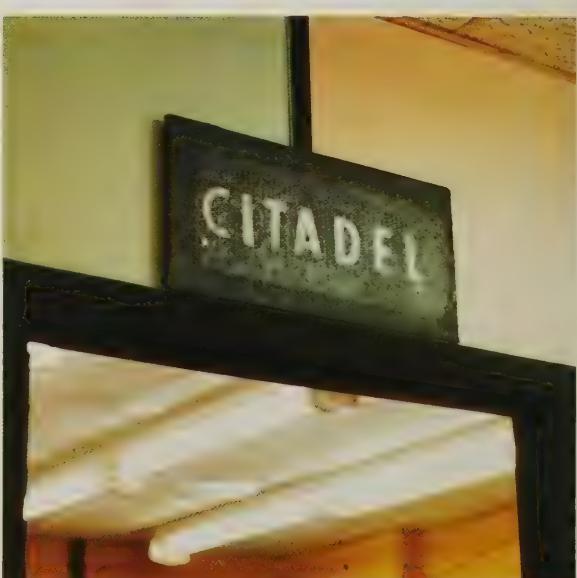

Ping Pong Tourney.

Union workers.

"Foolsball".

Where its at!

Now ya' see it . . . later you won't.

Intense concentration.

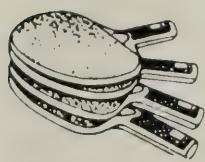

Not much of a program is there?

I'm not responsible if the lens breaks.

Eight ball in the right, left hand pocket.

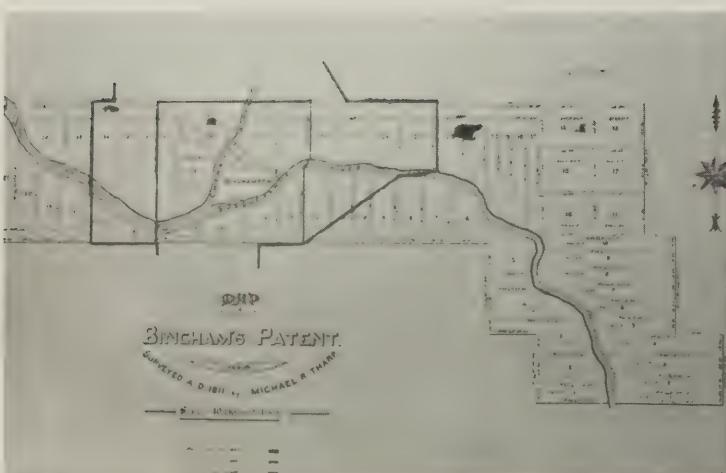

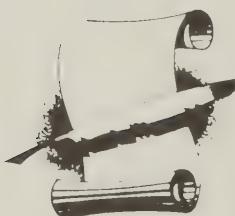

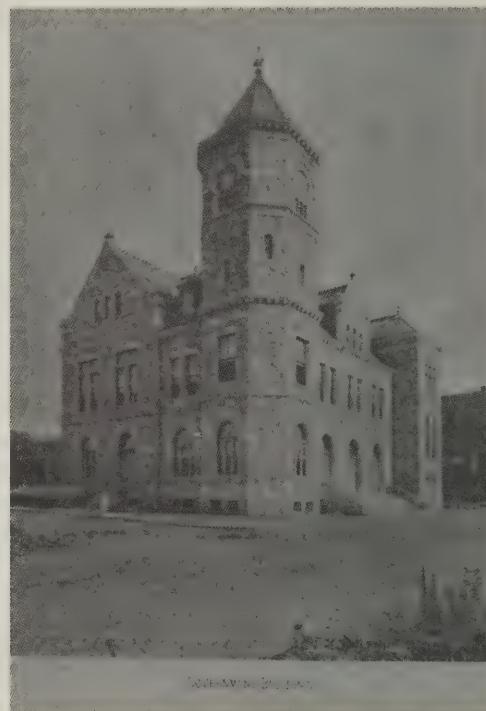

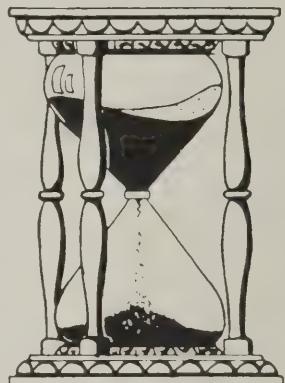

# BINGHAMTON PAST

*General Joshua Whitney*

Joshua Whitney was a land agent for Binghamton's founder, William Bingham. He came to Bingham with the proposal to build a city at the confluence of the Chenango and Susquehanna Rivers. Bingham accepted and hired Gen. Whitney to design the city, which was originally named Chenango Point but was later changed to Binghamton. Approximately 35,000 acres of land was purchased, sight unseen, for 12¢ an acre, by Bingham who was a resident of Philadelphia. The land was originally a portion of Tioga County which was later divided in two, to create Broome County, named after the Revolutionary war General John Lloyd Broome.

**Birdwatching 101, CY100, R. Firenze.**

**Not now! People are watching!**

**Take me I'm yours!**

... and you thought PACMAN was just a game!

Hey man, did you see that chic?!

Wanna go cruisin'?!

I think I better stick to Ginger Ale!

Honest, we're studying!

I don't like the looks of this guys, what are you planning? Oh yeah! The women's locker room at 11!

Now, what did she say the license plate number was . . .

Excuse me, but night class doesn't mean you sleep!

K.P.

Nature supplied this years star.

What's the matter,  
don't you think I can  
handle them both?

Are you sure they can't see me?

What's wrong here?!

Now where did we park the car?

I can't believe how little you can get for so much.

Believe it or not, writing 777 tickets a day can really give you a guilty conscience. Where's the asprin?

Do whatever makes you happy!

Are video games a new event?

"Let's play some fooze!"

A smile is worth a thousand words.

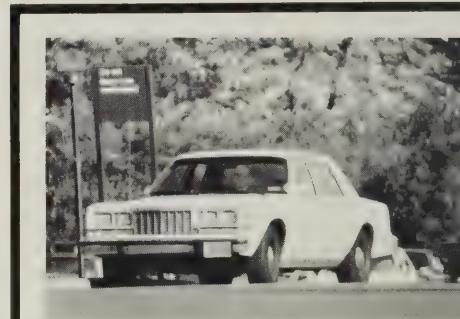

Do you think they know they're being watched?

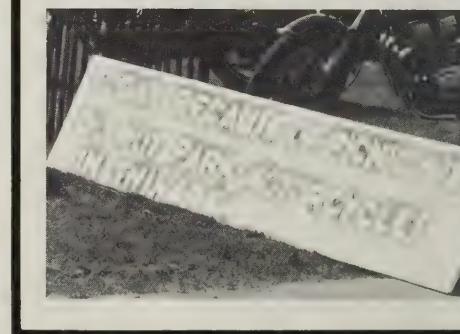

"You wouldn't happen to have another one of those outfits for me would you?"

"Mommy's mad at me"

These need no caption.

"This is what I think of people who don't like my food!"

Get down and boogie!

"Fool's Ball"

"I can't believe you really got your finger caught!"

Up  
and  
away?

The fifteen member Jazz Ensemble performs "Big Band" music for performances at High Schools, public concerts and exchange concerts with other two year Community Colleges Jazz bands. The band members are involved in coordinating the Annual Jazz Festival held each spring. This year, world famous drummer, Mel Lewis, adjudicated Jazz bands from local Secondary Schools. The band is also involved in the Annual Jazz workshop and Jazz For Juniors Program held on campus every summer.

Do you know who he looks like?

Say aren't you . . . . ??

Hello, I'm JFK

I'm not really JFK, I just look like him.

*JFK:  
A TIME  
REMEM-  
BERED*

On Friday November 11th, a show was put on in the gymnasium in which the excitement and glory, the pathos and tears of the Kennedy years- relived on stage in this special one-person performance, starring the noted actor who portrayed JFK in the film version of Harold Robbins' The Pirate. The play was based on the play written by Mark McTire entitled JFK Lives.

We would all like to thank and congratulate Mark McTire on an outstanding performance

College Choir and Community Singers performing Handel's MESSIAH at Boulevard Methodist Church, December 20, 1983.

# COLLEGE

# CHOIR

While membership of most campus organizations was limited to B.C.C. students, College Choir invited area singers to join with them in producing a beautiful choral sound. Combining hard work and fun in the right proportion, the group began the year with a 30 minute Broadway performance at Morey's for the Hillcrest Rotary Club.

Ninety-eight voices comprised of College Choir and community singers, with organ presented Handel's MESSIAH to a capacity audience at Boulevard Methodist Church on December 20, 1983.

The College Choir and Jazz Ensemble recorded a cassette tape entitled "Sounds of the Season."

College Choir sang at various nursing and retirement homes in the Triple Cities area. The choir also sang for the Mr. & Mrs. Club in Port Dickinson. The choir participated at a mass and presented Broadway at Holy Rosary Church in Maine.

For their Annual Spring Tour, the College Choir performed a joint concert with Cecil County Community College in Maryland.

In May, the Choir presented their Annual Spring Concert, the Afterglow following provided an excellent opportunity for the audience to be entertained in a less-formal setting.

The choir concluded the year presenting a mini-pop concert for shoppers at the Oakdale Mall.

At the conclusion of the academic year College Choir loses many of its talented singers to graduation. They are always welcome to return again as Alumni singers in College Choir.

Being directed by Bruce McGregor.

# ADULT DINNER CLUB DANCE

On December 2nd there was a Dinner Dance for those full time and part time students who are either 25 years of age or married. This dance also included the Faculty and Staff. This dance allowed the adult students the chance to break away from the "young scene" and to have a good time among friends.

This very successful team lost one match in the finals of their own tournament on the very first day of the season September 10th and then went on to win 26 matches in a row including four tournament championships.

The team of seven seniors and six freshman qualified for the NJCAA National Tournament in Catonsville (near Baltimore) Maryland. They finished 10th with a game record of three wins and six losses in this tourney which included sixteen of the best Junior College Volleyball Teams in the nation.

Coach Mott expects five players back next year along with some very promising freshman who have already enrolled at B.C.C.

**ICE HOCKEY** - The BCC Hockey Team enjoyed one of its finest seasons ever and finished the 1983-1984 season with a 13-7-1 record. Pat Borelli and Tim O'Loughlin led the team in goals scored each with 21 goals. Ron Furman and Chris Luchuk were tied for second with 18 goals each. Chris Luchuk lead the team in total points with 18 goals and 25 assists. Chris Luchuk was voted the team's Most Valuable Player and established new school records for most power play goals (9), most shorthanded goals (2), and most assists (25) in a single season. The hockey team also has two players named to the All-Region III team for the first time for BCC hockey. Receiving the honors were Goaltender Tim Kildea and Center Chris Luchuk.

**BASEBALL** - The BCC baseball team had 14 of its regular season games rained out but still managed to have another strong year. The defending regional champions finished with a 12-4 record and were the second seeded team in the Regional tournament. Unfortunately the team couldn't duplicate last year's success as it was defeated in the quarterfinals by Cobleskill by a score of 4-0. The team did manage to get some satisfaction by defeating the unbeaten (15-0) Jamestown CC in the Sesquicentennial Tournament sponsored by Monroe CC held at Silver Stadium in Rochester. The Hornets advanced to the championship game and defeated Hudson Valley CC 9-8 by scoring 5 runs in the last inning with two outs. Michael Carr led the team in hitting with a .470 batting average. Michael Dirienzo led the team in runs batted in with 22 while Tom Hierlwimmer led the team with 3 home runs and 23 runs scored. Defensively, Ron Dirado was the only regular to finish without committing an error. Don Porter led the pitchers with a 5-0 record, and Dave Potts with the lowest ERA of 1.50.

# DEDICATION

R.

The CITADEL Staff would like to show our appreciation and thanks to R. Bruce MacGregor (known to all on campus as Mac) by dedicating the 1984 CITADEL to him.

Mac, we feel you are more than deserving of this dedication because of your commitment, service, and friendship to the students. You have been a great help to us with the 1984 CITADEL. Your words of encouragement and smile kept us going through the "hard" times.

The whole staff says, "Thanks for everything!"  
Your friend,

Donna J. Walling

# THE PARTY'S OVER!

I must say being the editor of the 1984 Citadel has truly been an interesting experience. I hope the long hours and dedication from my staff and our Josten's representative Kevin O'Neil have paid off and everyone enjoys this book.

I would like to take the time to thank my staff individually.

Special thanks to my Chief Lay-out Editor Sue Ray who spent many hours at home as well as at B.C.C. designing lay-outs which truly enhance the book. Thank you Sue for your effort and also your friendship.

Many thanks to Van Stedman and Georgia Holdridge Co-Advertising Managers, for getting out and soliciting the ads which helped to make this publication possible.

Diane Brown, our Business Manager, who spent numerous hours keeping our books and records in order. Thank you for your time and effort.

Don Klempka my secretary, you are such a sweet heart. Thanks for the many hours you spent typing.

Joe Eitel thanks for your help in the first semester taking photographs.

To Jim Gormley and Greta Wingate our advisors: Thanks for the help and for having faith in me to organize the staff and produce a yearbook. I hope I did not let you down.

Thank you Kevin O'Neil our Josten's representative! Without your friendship and patience while teaching all the dos and don'ts of creative layout and graphic design this book would not have been possible.

Many thanks to Jim, Rob, Eileen, Paula, Barb, Linda, Dan, Don, and Mrs. Snover for your individual contributions which insured the success of this publication.

Thanks B.C.C.
